

2021 - 2022 Junior Registration

Student Name: _____ Parent Signature: _____

As a Junior, you need to register for 6 classes, one of which can be a Study Hall. Begin by consulting the registration handbook to determine your graduation credit needs and to learn a little about what each class will offer. Classes marked with a + _____ require teacher approval. The following classes MAY be early bird offerings: Algebra 2/Trig, Metals, and Fit for Sport.

The only classes that have weighted grades are the AP offerings.

Step 1: Your schedule will include the following required courses: English, US History, the appropriate Math course. Check one from each category below:

- English:** English 11 AP English Language
- Math:** Algebra 2/Trig EB Algebra 2/Trig
 Other math approved below
 AP United States History United States History

Step 2: Electives and Teacher Approved: Please select two full year electives or equivalents from the list below. Put a "1" in the box for your first choice and then all the way through number "5". Choices "3, 4,5" will be used as alternates if your first two choices are not available.
